Reference:- Srimuka dated 22nd April 1931 from His Holiness the Swamigalu of Sringeri Mutt to His Highness

---

It is stated in the Srimuka that His Holiness has selected a boy called Srinivasa, son of Bangalore Rama Sastry, to succeed him and that the choice has been approved by His Highness. The only action now to be taken is to convey formal approval to the selection made by His Holiness.

In 1912 when the present Swami was installed on the Peeta, a proclamation was issued. Now there is no installation as the Peeta is not vacant. Only the present Swami takes a disciple with ~~the~~ a view that he might succeed to the Peeta when it becomes vacant. I am not, therefore, sure ~~whether~~ ~~is~~ a proclamation is now called for. A Government order will, I think, suffice. A draft order is put up. A Final Note also is put up.

15 The Srimuka asks for "all facilities" to be afforded for giving sanayasa to the young boy. It has been ascertained by enquiry of both the Muzrai and Deputy Commissioners that no particular facilities were asked for or afforded in 1912 when the present Swami was installed. In view, however, of the request made in the Srimuka, the Agent of the Mutt may be asked to state what help based upon precedent

is required of Government in connection with the ceremony of giving sanyasa to the nominated boy.

In 1912 when the present Swami was installed the Member in charge of Muzrai and the Muzrai Superintendent were present at Sringeri. The present occasion is different as there is no installation and the function is limited to the giving of sanayasa to the selected boy. I think it will therefore be sufficient if the Muzrai and Deputy Commissioners are present at Sringeri on the occasion.

Final Note by the First Member of Council.

Subject:—

15 Selection of a Brahmachari for eventual succession to the Sringeri Peeta.

In the Srimuka dated 22nd April 1931, His Holiness the Sringeri Swamigalu states that it is desirable that a Brahmachari is immediately selected and given Sanyasa so that he might succeed to the Peeta when it becomes vacant. His choice has fallen upon one Srinivasa Sastry, son of Bangalore Rama Sastry. His Holiness states that the boy possesses all the qualifications for occupying the place and the selection made may be approved. A draft order is accordingly put up.

It has been ascertained that no facilities were asked for or were given when the present Swami was installed in 1912. As there is a request for "facilities" in the Srimuka, the Agent will be addressed on this point and whatever help it has been usual to offer on such occasions, will be given on this occasion as well.

There is no installation on the present occasion and the ceremony consists only in giving Sanyasa to the selected Brahmachari. It would, therefore, appear to be sufficient if the Muzrai Commissioner and the Deputy Commissioner attend the function.
